## ATHLETIC PARK BALL GAMES UP TO A HIGH STANDARD

"How's that for ball?" said Charlie Chillingworth after the game on Athletic Park yesterday between the Japanese and the Portuguese. "Do you want anything better?" he added.

Yes, it was good ball; clean and snappy. In the field there was some excellent work; the pitching was good and work with the stick was not at all bad. The Japanese won by a score of two to nothing, but the one hit which resulted in the tallies being made came as such a shock to the fans that it was hard to realize that it had really happened. Espinda hit a two-bagger! Just think of that! And he made the memorable hit when there were two men on bases, both of whom came home like flashes, what time the left fielder, Olmos, was anxiously racing for the sphere. It was a splendid hit, just a foot or two out of the reach of third baseman. Thence to the end there was nothing doing in the way of run-getting, but the snappy work of H. Chillingworth and Franco in the field did a great deal towards keeping the Portuguese from getting over the plate.

Fans Satiated; Umpiring Good. There was a great crowd present and the fans thoroughly enjoyed the class of ball handed out. They were in good humor all the time, even being satisfied with the umpiring and that is most unusual. But then there was reason for satisfaction, for both Sam Chillingworth and Bill Hampton delivered the goods.

Sam made good yesterday. He had evidently gotten over his stage-fright of Sunday week and he called balls and strikes in so decisive a manner yesterday that it went right to the hearts of the fans. There was no hesitation on his part and his work behind the pitcher was an effective answer to his critics.

Espinda Hits Two-Bagger. The Japanese did the damage in the first of the second. Akana met his fate at first, but Ross reached the initial sack safely on center-field's error, advanced to second on a wild pitch. Asam walked, and stole second, but Brito ingloriously fanned. Then came the hit of the day.

Espinda swung at the first—strike one! He repeated the effort next time, but hurt nothing except the atmosphere—strike two! Pedro sent over a fast one next time and Espinda's bat swung round and made connections. Over third's head flew the ball and the fans yelled with excitement as Ross and Asam sped for the home plate. Olmos gathered in the ball in time to prevent Espinda from making it a three-bagger but the damage had been done and the Japs were two up. Bushnell fanned and the match-winning inning closed.

The Japs had another chance to score in the eighth, for with bases full and two men out Akana went up to bat. He failed, badly, however with an infield fly. The game was marked by clean playing in the field, Franco in the Portuguese fifth inning getting three assists.

Native Sons Beat Stars. As happened in the first match the second game resulted in a two-nothing victory, both runs being netted in the one spasm. The Native Sons scored in the first shake out of the box, tricky work on the part of the Desha boys rattling the Stars and resulting in a run.

Ex-Collegians Exhibit Trickiness. It was one, two, three for the Stars when they opened the game, but when the Native Sons came up to bat they jumped into the limelight with a vengeance. Bill Rice grounded to short, who muffed, and the speedy runner got to first. He stole second and gained the third sack on W. Desha's bunt which Williams had difficulty in finding. Williams threw to first as Desha

sped along the line, but he was too late, and the batter was safe. Meanwhile, Rice had a shot for the home plate but Fernandez sent the ball with accuracy to the catcher and Rice bit the dust a few feet from home. While this play was being worked out Bill Desha was on his way to second which he made safely. D. Desha bunted, catcher Joy fumbled, and Bill advanced to third, while David made good at first.

### The Stars Rattled.

Immediately Hayes wound up to pitch to Hamauku, David commenced a steal and Hayes threw to first. David stopped between bases and Bill began to edge towards home. Fernandez was in a quandary, but finally while the Desha boys hopped about on the line, he threw to third. The throw was a rather a high one and Bill scored, while David gripped the second sack and then sprinted to third. Hamauku grounded to second and though nipped at first (Ah Toon to Fernandez) he had the satisfaction of scoring D. Desha. Dreier made his base on short's low throw to first, but Thomas fanned and the inning terminated.

In the next inning Joy and Ah Toon brought off a great double play. With one man out Kan Yen walked and as Hayes was truck out Kan Yen tried to make second but Joy threw hard and straight to Ah Toon and brought off the play.

### Stars Lose Chances.

The Stars had a chance in their fourth spasm. Fernandez made first on Rice's error at left field and then set sail for second. Rice threw in well but Hamauku missed and Fernandez made the base. Sumner grounded to pitcher, out pitcher to first, Dreier, threw to second to catch Fernandez between the bases, second relayed to Markham on at third, back it came to Hamauku and back to third before Fernandez was tabbed.

### A Fighting Finish.

Up to the beginning of the ninth everything looked good for the Native Sons, but the Stars made a great finish, though they did not succeed in scoring a man. Fernandez opened the inning, out pitcher to first; Sumner then happened along with a two-bagger between left and center field, and Barney Joy sent a liner just beyond first. He made the base safely and Sumner sprinted for home. Right fielder D. Desha gathered in the ball and sent in to the plate with an unerring throw and Sumner died, inches from home. Meanwhile Barney Joy was lumbering round the bases, getting to second safely. Kan Yen hit through short-stop to the left field, but before Joy could make that sack Rice had thrown in to Markham and the game was over.

The finish to the game roused the fans and they went home talking of the splendid nine-inning effort of the Stars.

The line-ups and scores were:  
Japanese—Zerbe, 1f; Franco, 2b; Walker, c.f.; H. Chillingworth, s.s.; Akana, 1b; Ross, 3b; Asam, r.f.; Brito, c., and Espinda, p.

## COMMENTS ON THE LEAGUE GAMES

Of the three two-baggers made in plate following a particularly good throw from right-field by D. Desha. A Smart Catch. Pitcher Milkaa brought off a good catch in the Stars' seventh inning when he retired Williams, with Kan Yen on third, for both he and Markham rushed for the ball and collided. But Milkaa held the sphere safe. How the Double-Plays Went. The double plays in yesterday's games were interesting, snappy and clean. In the Portuguese seventh, with Pedro on first, Deponte grounded to second, Franco fielded the ball, tabbed Pedro, and threw to first in time to retire Deponte. In the sec-

ond innings of the Stars, with Kan Yen on first, the batter fanned and Thomas threw smartly to second retiring Kan Yen. That play in the Stars' fourth, in which Milkaa, Dreier, Hamauku and Markham figured roused the fans. Fernandez was on second, with Sumner at bat. Sumner grounded to pitcher and Fernandez made for third. Milkaa threw to Dreier who put Sumner out, relayed the ball to Hamauku as Fernandez was well off the bag, but Fernandez continued for third. Hamauku passed the ball along to Markham, and Fernandez was caught between. But the sphere passed back and forth again before Fernandez was put out.

### Field Play Good.

Franco's play at second base was a treat to see. He had six assists and three put-outs, but his work was the acme of neatness. Short-stop Henry Chillingworth, with four assists and two putouts, also put up very classy ball. Kan Yen, despite one error, put up good Rice made the only error for the Native Sons, dropping Fernandez's fly to the left garden.

### Sunday's Pitching.

Pedro was the most successful pitcher on Sunday in the Oahu league games though he had four basehits made off his twirling. He struck out fourteen, walked two and sent over two wild pitches, being the only pitcher to be debited with wild pitching. Milkaa struck out eight, walked four and had five hits made off him; Espinda struck out seven, walked three and had only two basehits against him; while Hayes finished up with three strike-outs and one base on balls. He was hit for three basehits. Milkaa shaped well, though he was a bit ragged at the start. He is fast and will make even a better showing later on. Hayes' pitching justified his captain's confidence in him.

### A Fatal Error.

Eddie Fernandez made a mistake in the first inning of the Native Sons yesterday. When W. Desha was on third and D. Desha on first, the latter tried to steal and Hayes threw the ball to Fernandez at first. Then Bill Desha started for the home plate and, after some hesitation, Fernandez threw to third. Bill got home and David made second. But apart from the success which followed the play of the Desha boys, even had Fernandez topped Bill on third it would not have been good play. Dave was almost bound to make second, and under the circumstances Eddie would have done better to have thrown to the home plate. Eddie showed much better judgment later in the game.

## GOOD TENNIS ON SATURDAY

The second afternoon's play in the Castle cup tennis tournament brought out some good play on Saturday, for of the nine matches contested five of them went the full three sets, three were decided in two straight-out sets, and the other one went by default.

One game in the first round, that between F. E. Steere and G. L. Duckworth, was decided early, Steere winning 6-1, 6-4. Then Steere had to stack up against S. A. Baldwin and lost out after three sets were played. Baldwin put up a great game against Steere, who owed fifteen, and Steere also played in fine form. The first set went to Baldwin 6-2, Steere took the second 7-5, but Baldwin came back for the third and won it 6-3. It was somewhat unfortunate that Steere had to play two matches in the one afternoon, otherwise he may have stood even a better chance against Baldwin.

Greenwell won out from Durston, 6-3, 3-6, 6-4. Theo. Richards was beaten by R. Sinclair 6-3, 6-1, and on the result of this match alone Sinclair must be regarded as having as good a chance as any player to pull off the tournament. O'Dowda of Ewa got through his second engagement with success, winning from W. A. Wall, 6-3, 3-6, 6-2. Buttolph beat J. Guard, 6-0, 2-6, 6-1, and J. Macauley beat C. G. Bockus, 6-2, 4-6, 6-3.

This afternoon's matches promise well. They are as follows:

Neighborhood Courts.  
L. M. Judd vs. W. Greenwell.  
J. O'Dowda vs. S. A. Baldwin.

Beretan Courts.  
Buttolph vs. J. Macauley.  
J. R. Judd vs. J. Sinclair.

Rather a mix-up occurred between V. Stevenson and G. G. Guild as to their first match. Stevenson was busy and could not play and decided to default to Guild, but Guild also found he was busy and came to the conclusion that he had better default to Stevenson. Neither of these players turned up for the second round, which gave J. R. Judd an easy path into today's matches.

## SPORT NOTES

McKinley High School beat St. Louis in a ball game played at Kamehameha on Saturday afternoon, the score being 7-5. T. Pacheco, of the Saints, made a three-bagger and Watson brought off a home run which was disallowed as he failed to touch the second sack.

The Kamehameha senior team won its third victory against Punahou on Saturday afternoon on the home diamond, getting away with the game, 5-3.

St. Louis juniors defeated Punahou juniors on Saturday, 3-0. Ching Sue, the Saints' pitcher, struck out fourteen of the Puns, while Baldwin of the Puns only retired three of the Saints by striking them out.

The swimming carnival billed for June 10 has been abandoned, the reason given being that swimming is prohibited in the harbor. Hard luck for the A. A. U., which organization was promoting the carnival.

Fort Ruger ball team defeated Fort Shafter in a seven-inning game at Fort Shafter yesterday by 6-5. Moanalua will be the scene of the return match scheduled for Sunday next.

Aala Park was the scene of a ball game yesterday morning between the Chinese Athletic Club juniors and Central Grammar, the Chinese winning 10-6. The Chinese out-played the Central Grammarians in the closing stages of the game, scoring two in the sixth, two in the seventh and three in the ninth.

A. A. U. Track Meet Proposed. The local branch of the A. A. U. are about to consider the advisability of holding a track and field meet in the near future. A meeting of the union has been called for the 18th inst., when the matter will be discussed.

at 7:30 this evening, to consider plans for the dance scheduled for the 27th inst., and the Ladies' Day celebrations on the 28th. In addition several applications for membership will be passed on.

Pacific Coast League. The Seals took another plunge yesterday afternoon at Oakland, much to the surprise of the local fans, who looked for a victory, says the S. F. Call on April 28. It must be said for the Commuters that they have taken a brace and are about to come back. The Seals still have a good, healthy lead, so it does not look as though we will have to worry about them this week, anyhow. Portland did its usual flip-flop up north and took the third game of the series from the Senators, while the Angels came to life long enough to give the Villagers a beating down south.

The results of games were:  
Oakland 3, San Francisco 1.  
Portland 3, Sacramento 0.  
Los Angeles 6, Vernon 5.

Umpires Differ in Ball Game. The game between the Waseda team of Japan and the Mission high school team played at St. Ignatius grounds ended in the tenth inning, with the score 5 when a difference arose owing to the double umpire system.

The incident was unfortunate, as it marred what otherwise was a tight and exciting game. In the beginning of the tenth Barker of Mission reached first on an error and was sacrificed to third. Murray was next man up and hit to the second baseman, who erred and Barker raced for home. The Jap catcher, Fukunaga, received the ball from second and put it on Barker. The umpires differed in their decision, and the game was called off, as no compromise could be arrived at.

Up to the seventh Mission had a lead of 5 to 2, but in this frame the Japs came through and scored three runs. Mission fell down in the pinch and went to pieces in this frame. The batteries for Mission were Driscoll and Murray and for the Waseda team Matsuda and Fukunaga. Barker, over whom the discussion arose in the tenth, sprained his ankle when sliding for home. Score:

	R.	H.	E.
Mission	5	8	8
Waseda	5	6	9

### CRITICISING THE DRAMA.

King Hubbard, who is one of the best known cartoonists in the Middle West, enjoys also a reputation as a humorous writer. His style is of the pithy, epigrammatic kind, and he signs the name "Abe Martin" to a lot of this sort of stuff.

Some years ago King was assigned to do a criticism of "Uncle Tom's Cabin" on its first night in Indianapolis.

Here is the verdict on the show:

"That fine old play, 'Uncle Tom's Cabin,' was presented here last night. The dogs were fine, but their support was wretched."—Popular Magazine.
